5G COMPATIBLE

WEBOOST PRODUCTS SUPPORT THE LATEST IN 5G TECHNOLOGY.

EXPERIENCE BETTER CELL COVERAGE AT WORK.

Meet our newest amplifier solution designed for small business.

The weBoost **Office 100 Omni** is ideal for small businesses looking for an affordable amplifier solution to improve cell signal.

- Enables everyone inside the business to enjoy fewer dropped calls, uninterrupted texts, better voice quality, improved hotspot capability, faster internet speeds, better streaming, and more.
- 5G compatible and improves cell signal on all U.S. carrier networks, including Verizon, AT&T, T-Mobile, UScellular, and more.
- Backed by an industry-leading 3-year manufacturer's warranty and a 30-day money-back guarantee.
- Meets all FCC guidelines and won't interrupt or harm any cell carriers' signals to and from the cell tower.
